*RE: A&B Masonry, LLC--Bonds*

To Whom It May Concern:

This letter is written on behalf of A&B Masonry, LLC ("A&B") with respect to potential bonding needs for certain future projects. A&B is a viable bond client based on the financials of A&B and its principals. In anticipation of further bond activity, A&B has previously applied for and been approved for bonding. Please feel free to provide the sub-contract agreement, bond form and bid spread for a specific project to my attention.

If you have any questions regarding the above, please feel free to give me a call.

Yours truly,

Kirk D. Dreyer
